Our goal is to keep everyone as safe as possible.

Please help us by following these simple guidelines:

- Please feel free to call the restaurant (864)757-8396 to preorder and even pay over the phone. We will have a separate Step Up & Pick Up line, where you pick up your already packaged, pre-paid order.
- Credit card payments are accepted over the phone, as well as cash or credit at the truck. (Tips are greatly appreciated either way.)
- Please send as few people (only 1 if possible) to come order or pick up your order. Please respect your neighbors by leaving plenty of distance between you and the person in line in front of you.
- We are doing everything we can to make this as smooth and fast as we can in order to avoid congregating. Please help us so we continue to feed other neighborhoods.

And THANK YOU FOR YOUR SUPPORT! ~ the FH Crew
