## Board Election

Unfortunately we did not receive any nominations by the deadline date for submissions from homeowners to be on the ballot therefore we were unable to hold the election this year.

The board has appointed Dick Smith as Vice President and Kenny McAtee as Architectural Director. The Pool Director position is still open. If any homeowners are interested in serving on the board, please let a current board member know.

## Pool Season Schedule Change

We are gearing up for the 2019 pool season and are excited to announce a change in the pool schedule so that the pool can be open for two more weekends in September! The pool will be closed on Mondays – Thursdays AFTER school starts back in August so that we can open up the pool on Fridays – Sundays thru September 15. See you there!

## Duke Proposes Rate Increase

If you have not heard by now, Duke Energy Carolinas has proposed a 12% rate increase which would start 6/1/19. Town Hall meetings are coming up mid-March if you would like to voice your opinions about the increase.

## Fountain Inn Splash Pad

There are plans in the works to put in a splash pad in downtown Fountain Inn. It is scheduled to be open by Memorial Day 2019.

## Stay Safe & STOP!!!

Please remember to **STOP** at **ALL** stop signs in Powderhorn! A lot of homeowners/residents walk, jog or ride their bicycles thru Powderhorn and we want everyone to be safe. Summer is also fast approaching and people will be going to the pool as well.

**Stay safe and STOP!**
